A complete editorial index of all issues of

World Petroleum

Volume 28, published in 1957

Author's Index

	ISSUE	PAGE
A ADAMS, C. D.		
Hose-Handling Facilities on a Modern Refinery Dock	Ref.	121
ADAMS, K. S.		
The Imports Question as Seen by a "New" Importing Company	Nov.	56
ANDERSON, Thomas M., and Howard M. Mathis		
The Story Behind Tidewater's Delaware Refinery	Ref.	82
ARCHBOLD, William D.		
Canada's Petroleum Decade	May	57
B BAIRD, D.S. (with Paul W. Tucker, F.J. Heller, and J.E. Donnelly)		
LPG and Ammonia Cars to Shed Their Overcoats	June	60
BARBERII, E.E.		
University of Zulia (Venezuela) Petroleum Engineering School	July	112
BEACE, Floyd K.		
Canadian Gas Developments	May	70
Exploratory Developments in Western Canada, 1956	May	82
BRICKHOUSE, A.A.,Jr.		
Tapline's Sidon Terminal	June	42
BROWN, R. C.		
Canada's Petroleum Future (editorial by chairman, Canadian Petroleum Assn.)	May	55
BROWN, Russell B.		
The Imports Question as Seen by the Domestic Producer	Nov.	57
BRUNDALL, Laurence		
Photogeology Speeds Libyan Exploration	Oct.	39
BUCKLAND, R. S. (with W.B. Gallup)		
New Discoveries Add to Canadian Reserves	May	60
C CALVERT, James W.		
Gulf Offshore Activity Booming	Jan.	48
The Mobile Rig Disasters	June	30
Offshore Drilling Techniques	Aug.	41
Biggest LeTourneau Drilling Barge Launched	Nov.	82
CAMERON, Russell J. (with Arthur Matzick)		
Recent Developments in Oil Shale	Sept.	68
COPELAND, Earl, Jr.		
Crisis in Cuba	Dec.	60
D DONNELLY, J. E. (with Paul W. Tucker, D.S. Baird, and F.J. Heller)		
LPG and Ammonia Cars to Shed Their Overcoats.	June	60
DOUGHERTY, Tom		
World Energy Requirements Studied at Denver Conference	Jan.	43
Alasken Oil Search Grows	Dec.	45
DOWNEY, W. P.		
New Construction Adopted by Chinese Petroleum Corporation	Jan.	36
E ELTHAM, Eric		
Suez Crisis Spurs Hunt for New Energy Sources	Nov.	89
F FANNING, Leonard M.		
Government Inconsistency--Threat to Our International Oil Position	Feb.	42
World Petroleum Policies	Sept.	82
FOX, A. F.		
A Short History of Exploration in Kuwait	Sept.	94
G GALLUP, W. B., and R. S. Buckland		
New Discoveries Add to Canadian Reserves	May	60
GASKELL, Dr. T. F.		
Oil and Oceanography	March	52
GEIGER, Art		
Dollars for Mexico's Oil?	Dec.	49
GIRELLI, Alberto		
Italy Sets New Records	Ref.	105
GUNDLACH, W. J. (with L.M.Mott-Smith and G.C. Phillips)		
GEOPAC--An Automatic Plotter and Computer for Seismic Geophysical Data	March	76
GUTIERREZ, Dr. Silvio		
Venezuela on the Move	July	59
H HALL, John D.		
Mechanized Catalog Features Materials Accounting System	June	38
HAMON, Jake L.		
Need for Unity	Nov.	53
HARVEY, Hugh		
Exotic Fuels	Sept.	55
HEINEMANN, Heinz and Harold Shalit		
Catalytic Reforming and Dehydrogenation----- A Review of Recent US Patents	Feb.	56
Review of Petrochemical Patents (Some Important Chemicals from Aromatic Hydrocarbons)	Apr.	62
Review of Recent US Patents on Desulfurization	June	66
Annual Review of United States Patents on Petroleum Refining	Ref.	125
Review of Recent USA Patents on Petrochemicals -- Preparation and Reactions of Olefins	Oct.	70
Review of Recent USA Patents on Petrochemicals	Nov.	84
HELLER, F.J. (with Paul W. Tucker, D.S.Baird, and J.E. Donnelly)		
LPG and Ammonia Cars to Shed Their Overcoats	June	60
HENRY, Guy		
France Now Europe's Second Largest Refiner	Ref.	75
France Seeks Oil Sufficiency	Sept.	63
HOGG, C.A.L.		
Saskatchewan Government Policy and Regulation	May	67
HUBBARD, A. W.		
The Tanker and Cathodic Protection	Apr.	46
HUTTLINGER, Joseph B.		
"Emergency Committee Acts to Meet Oil Need of Europe"	Jan.	30
I J JESSER, B. W., and Harold Kershaw		
Refinery Models Aid Kellogg	Nov.	66
JONES, Hal J.		
Central Office Processing of Office Data	March	68
K KERSHAW, Harold (with B.W. Jesser)		
Refinery Models Aid Kellogg	Nov.	66
KORNFELD, Joseph A.		
Mexican Congress Reviewed	Jan.	52
L LEAKEY, Bernard P.		
Venezuelan Oil in World Markets	July	130
LEVY, Walter J.		
The Present Outlook for Tanker Markets	Nov.	63
LEWIS, D. E.		
Conservation and the New Conservation Act in Alberta	May	146
LOMAX, E. Lawson		
The British Viewpoint	Jan.	34
British Refinery Throughput Rises 8.5% Despite Suez Crisis	Ref.	109
Petrochemicals in the UK	Ref.	112
LUONGO, Dr. Edmundo Cabello		
Venezuela's Maximum Conservation and an Ideal Climate for Private Initiative	July	56
LYNCH, Vance M.		
Field Techniques and Problems in Offshore Gravity Program	March	65
Mc McCLENDON, J. S.		
Legal and Fiscal Aspects of Engaging in the Oil Business in Venezuela	July	96
McDANIEL, R. R.		
Saskatchewan Active in 1956	May	108
McLAUGHLIN, Philip L.		
Cheaper Dry Holes Possible through New Air and Gas Drilling Concepts	Aug.	46
M MARKS, Charles E., and George C. Patterson		
North Star's New Winnipeg Refinery	May	88
MATHIS, Howard M. (with Thomas M. Anderson)		
The Story Behind Tidewater's Delaware Refinery	Ref.	82
MATZICK, Arthur, and Russell J. Cameron		
Recent Developments in Oil Shale	Sept.	68
MIRK, Douglas A.		
Process Integration and Flexibility Feature Amoco's Yorktown Refinery	Ref.	64
MORROW, Ralph		
New Process Heater Design	Feb.	34
MOTT-SMITH, L. M. (and W.J. Gundlach and G.C. Phillips)		
GEOPAC--An Automatic Plotter and Computer for Seismic Geophysical Data	March	76

	ISSUE	PAGE
MOYAL, Maurice		
Oil in the Sahara	June	34
The Gabon -- A New Oil Province	Oct.	46
N NEWBURY, C. B.		
Development of a Process -- Imperial's Sarnia Wax Plant	May	96
O OSPINA-RACINES, E.		
Oil Hits Peak in Colombia	Dec.	38
P Q PATTERSON, George C. (with Charles E. Marks)		
North Star's New Winnipeg Refinery	May	88
PEREZ, Dr. Carlos de la Cova		
The Economic and Strategic Importance of Venezuelan Oil to the United States	July	70
PEREZ JIMENEZ, General Marcos		
Introductory Message to Venezuelan Issue	July	55
PETUCH, B.		
Turbodrill Reverse Circulation	Aug.	60
PHILLIPS, G.C. (with L.M.Mott-Smith and W.J. Gundlach)		
GEOPAC -- An Automatic Plotter and Computer for Seismic Geophysical Data	March	76
PILCHER, D. M.		
Expanded Australian Refineries	Ref.	91
R RASSMUSS, Dr. J. E.		
Oil Discoveries in the Amazon Basin	Oct.	42
ROSU, Dr. George G.		
Oil in the Soviet Far East and Sakhalin	Jan.	40
The Soviet Gas Industry	Feb.	38
A New Soviet Oil Management	Sept.	130
ROWLAND, Leslie O.		
Canada Faces Busy Year	Jan.	44
Sound Economics in Saskatchewan	May	80
Canadian Drilling Active Despite Drop in Offshore Crude Sales	Sept.	90
RUSSELL, Captain H.		
Simplification of Tanker Suction and Loading Systems	Apr.	56
S-T		
S SCHWARTZ, E. W.		
Truck Trends: Specialized Design and Bigger Units	Apr.	48
SEATON, Hon. Fred A.		
The Imports Question as seen by US Government	Nov.	54
SHALIT, Harold (with Heinz Heinemann)		
Catalytic Reforming and Dehydrogenation--A Review of Recent US Patents	Feb.	56
SHALIT, Harold (with Heinz Heinemann)(cont'd.)		
Review of Petrochemical Patents (important chemicals from aromatic hydrocarbons)	Apr.	62
Review of US Patents on Desulfurization	June	66
Annual Review of United States Patents on Petroleum Refining	Ref.	105
Review of USA Patents on Petrochemicals --Preparation and Reactions of Olefins	Oct.	70
Review of USA Patents on Petrochemicals	Nov.	84
SHERWOOD, Peter W.		
The Role of Petrochemicals in Surface Coatings:		
Part I	Feb.	54
Part II	Apr.	60
Vinyl Acetate: Petroleum-derived Growth Chemical	Aug.	52
Petrochemical Monomers for the Synthetic Rubber Industry:		
Part I	Sept.	78
Part II	Nov.	96
STAHMER, A. M.		
West German Refining Capacity to Double by 1965	Ref.	100
Pipeline Projects in West Germany	Oct.	50
STENZEL, R.W.		
Electrofining	Ref.	78
SUPPLEE, Henderson, Jr.		
The Imports Question as Seen by an "Established" Importing Company	Nov.	55
T THOMPSON, General Ernest O.		
The Imports Question as Seen by the Oil Conservationist	Nov.	58
TUCKER, Paul W., and D.S. Baird, F.J. Heller, and J. E. Donnelly		
LPG and Ammonia Cars to Shed Their Overcoats	June	60
U UREN, Lester C.		
Progress in the Development of Rotary Drill Pipe, Tool Joints, Drill Collars	Aug.	63
Progress in Well-Completion Methods--Part I	Sept.	108
Progress in Well-Completion Methods--Part II: Sand Control and Formation of Well Cavities	Oct.	62
Progress in Well-Completion Methods--Part III: Increasing Permeability of Formations About Producing Wells	Nov.	106
V VanMIDDLESWORTH, Neal R. (VOSA)		
Exploration and Drilling in Venezuela	July	81
W WAHL, Jack		
Pembina Pressure Maintenance with Water Injection	May	64
WALDIE, Alan		
Weight Dropping -- A Practical Seismic Tool on Land or Water	March	56
WALKER, R. G.		
Brazilian Exploration Rises in 1957	Dec.	55
WEISER, H.		
First Refinery in the Upper Amazon Valley	Dec.	42
WORLEY, Charles W.		
The Analog Computer -- An Engineering Tool	Ref.	59

World Petroleum Subject Index 1957

(Note: Shorts and news items for countries outside the USA will be found in the Geographical Index only -- under the appropriate country. Except for the United States, the subject index covers major articles only.)

GENERAL	ISSUE	PAGE
AUTOMATION		
Mechanized Catalog Features Materials Accounting System, by John D. Hall	June	38
See also Exploration (Geophysical Tools)		
AWARDS (News Items)		
Mission Mfg. receives advertising award	June	80
Western Geophysical receives NSF safety award.	July	160
UOP's Block to receive chemists' award	Nov.	142
COMPRESSORS		
Medium-horsepower turbocharger for oil-field, pipeline, and refinery service	Feb.	82
CONSERVATION - see PRODUCTION		
CORROSION		
The Tanker and Cathodic Protection, by A. W. Hubbard	Apr.	46
DEPLETION - see MARKETING (Legislation)		
ENERGY SOURCES - see MARKETING		
EXPOSITIONS, ANNIVERSARIES, CELEBRATIONS		
Leduc (Canada) observes 10th anniversary	March	6
Avondale Marine Ways Inc. celebrates 10th anniversary	May	160
Next Tulsa International Exposition, May 1959.	Ref.	160
"Jersey" Celebrates 75th Birthday	Aug.	50
5th World Petroleum Congress to Discuss Atom Applications	Aug.	79
World Petroleum Congress Plans Pushed	Sept.	87
Romanian oil celebrates centenary	Sept.	142
International Petroleum Exposition, 1959, makes plans for large attendance	Oct.	80
Shell's Diamond Jubilee (1957 golden-wedding anniversary of Royal Dutch-Shell)	Nov.	73
W.R. Huber PR director of 1959 oil centennial.	Nov.	140
FINANCIAL		
Oil-Company Earnings Higher (1st 1957 quarter; 3-year financial review of USA oil companies)	June	51
Earnings of Canadian Companies Keep Pace with Expansion (analysis of earnings statements)	June	56
Assets of 21 oil companies command largest share of all industry's assets	July	172
Gulf Net Up 1st Half 1957	Sept.	152-C
1st half '57 USA oil-company earnings higher.	Oct.	83
BP earnings down due to Suez crisis	Nov.	126
HELICOPTERS - see EXPLORATION		
HISTORY		
"Jersey" Celebrates 75th Birthday	Aug.	50
Shell's Diamond Jubilee	Nov.	73
INVESTMENT - See MARKETING		
MAPS - see EXPLORATION		
MOTION PICTURES		
Creole movie highlights Venezuelan culture	Apr.	76
OIL POLICY - see MARKETING (Legislation)		
PATENTS - see MARKETING; also REFINING		
PERSONALS		
Anderson, Robert B., named Secy-Treas	July	8
Anderson takes office as Treasury Secretary.	Sept.	7
Fino, Alex F., heads Hammond Engineering	Ref.	162
Getty, J.P., to have 22-story NYC office bldg.	Aug.	79
Graves, B.I., new NPC chairman	June	86
Halliburton, Earle Palmer (pioneer in oil-well cementing passes)	Dec.	74
Huber, W.R., PR director 1959 oil centennial.	Nov.	140
Kaveler, H.H., engaged by Sask. board	Aug.	6

	ISSUE	PAGE
Kilgore, Grover, appointed to NPC	July	162
Levy, Walter J., to study Canadian pipelines	July	12
Mayo, Earl M., WP editor emeritus, dies	Nov.	154
Reistle, Carl E., Jr., honored	Apr.	92
Rousselot, N.A., Calif. representative Seaboard Oil	Ref.	160
PETROLEUM ENGINEERING		
Univ.Zulia (Venezuela) Petroleum Engineering School, by E.E. Barberii	July	112
The Analog Computer--An Engineering Tool, by Charles W. Worley	Ref.	59
Honeywell purchases Datamatic Corp.	Ref.	164
Kellogg slide rule for oil engineers	Ref.	164
See also GENERAL (Research & Development)		
PETROLEUM ENGINEERS		
Graduate petroleum engineers for teaching wanted by Southwestern Louisiana Inst.	Apr.	84
Honor Reservoir Engineer Carl E. Reistle, Jr.	Apr.	92
AIME reorganized into three new divisions	Apr.	92
Alex F. Fino heads Hammond Engineering	Ref.	162
POWER SOURCES - see MARKETING		
PRICES - see MARKETING		
PURCHASES (OIL-COMPANY)		
Mechanized Catalog Features Materials Accounting System	June	38
RESEARCH & DEVELOPMENT		
Technical information division for Esso Research & Engineering	May	160
Nuclear radiation research lab by Texaco	July	172
The Analog Computer (an engineering tool), by Charles W. Worley	Ref.	59
Lummus enlarges engineering service to oil refining and petrochemical industries	Ref.	88
Esso Research & Engineering technical computing center	Ref.	160,164
New Petrolite research center	Ref.	162
Sinclair begins radiation research	Ref.	162
Phillips to join nuclear research group	Nov.	154
Tellurometer (portable unit to measure distances) result of research	Dec.	72
RESERVES - see PRODUCTION		
SHALE OIL - see PRODUCTION		
TRADE ASSOCIATIONS		
API Division of Marketing	Nov.	59
TRAINING PROGRAMS		
How Venezuela trains its oil workers (in "Oil and Its Manpower in Venezuela")	July	81
Univ. Zulia (Venezuela) Petroleum Engineering School, by E.E. Barberii	July	112
UNITIZATION - see PRODUCTION		
EXPLORATION		
WORLD		
World Rotary Rigs Up 8%	Feb.	76
Search for Big Oil Pushed--Domestic producing companies and independent operators pushing their exploratory activities abroad	March	49
Oil and Oceanography, by Dr. T.F. Gaskell	March	52
Rotary Rigs Active - by countries	March	100
Worldwide Drilling Activity High	Sept.	72
Rotary Rigs Active, 1948-57	Sept.	74
Suez Crisis Spurs Hunt for New Energy Sources, by Eric Eltham	Nov.	89
News Item		
Crude forms rapidly, says geologist Kidwell	July	162
NORTH AMERICA		
Alaskan Search Grows, by Tom Dougherty	Dec.	45
Canada Faces Busy Year, by Leslie O. Rowland	Jan.	44
New Discoveries Add to Canadian Reserves, by W.B. Gallup and R.S. Buckland	May	60
Based on large gas reserves, Canada is moving into petrochemicals in a large way	May	70
High discovery rate, basis for Sask.'s oil prosperity (Rowland, editor Oil in Canada)	May	80
Exploratory Developments in Western Canada, 1956, by Floyd K. Beach	May	82
Manitoba Still Hoping (exploratory wells down 20%, development drilling down 28%, Virden-Roselea field growing; Daly declining	May	100
Geophysical Activity Down in Western Canada, 1956; seems stuck on low plateau of 1954	May	106
Saskatchewan Active in 1956, by R.R. McDaniel	May	108
Eastern Canada's Oil and Gas Activity Sharply Higher (drilling increased 10% in 1956)	May	116
$50 Million Athabasca Development (oil sands of northern Alberta)	June	65
Canadian Drilling Active Despite Drop in Offshore Crude Sales, by Leslie Orr Rowland	Sept.	90
Tomorrow's Canada (royal commission studies Canadian economy	Sept.	124
Gulf Offshore (USA) Activity Booming, by James W. Calvert	Jan.	48
News Items		
California Standard plans record capital outlays for Western Hemisphere exploration	March	134
Contractors drill 93% of wells	March	140
End of an era - last of General Petroleum Corp.'s wooden derricks	Apr.	92
US Steel Corp. forecasts 1,200 offshore wells by 1970	Aug.	78
New American company formed to acquire foreign concessions	Dec.	10
LATIN AMERICA		
Brazilian Exploration Rises in 1957, by H. G. Walker	Dec.	55
Oil Hits Peak in Colombia, by E. Ospina-Racines	Dec.	38
Crisis in Cuba, by Earl Copeland, Jr.	Dec.	60
Oil Discoveries in the Amazon Basin (Peru's Montana), by Dr. J.E. Rasmuss	Oct.	42
Exploration and Drilling in Venezuela, by Neal R. VanMiddlesworth (VOSA)	July	81
Barinas (Venezuela) Oil Research Rewarded	July	102
MIDDLE EAST		
A Short History of Exploration in Kuwait, by A.F.Fox	Sept.	94
EUROPE		
France Seeks Oil Sufficiency, by Guy Henry	Sept.	63
AFRICA		
Oil in the Sahara, by Maurice Moyal	June	34
The Gabon (French Equatorial Africa) -- A New Oil Province, by Maurice Moyal	Oct.	46
Photogeology Speeds Libyan Exploration, by Laurence Brundall	Oct.	39
FAR EAST		
Oil in the Soviet Far East and Sakhalin, by Dr. George G. Rosu	Jan.	40
GEOPHYSICAL TOOLS		
Weight Dropping -- A Practical Seismic Tool on Land or Water, by Alan Waldie	March	56
Marine Sonoprobe--A New Seismic System for the Study of Recent Sediments	March	60
New Tools for the Geophysicist	March	67
Central Office Processing of Office Data, by Hal J. Jones	March	68
SSC Seismic Replay Center	March	71
SIE Record-Analysis System	March	72
Carter Oil Laboratories Develop Field and Office Magnetic Machines	March	74
GEOPAC--An Automatic Plotter and Computer for Seismic Geophysical Data, by L.M.Mott-Smith, W.J. Gundlach, and G.C. Phillips	March	76
The Gulf Seismic Profile System	March	84
All Purpose Seismograph Camera	March	86
Magnetic-coated Discs	March	86
Gravity Anomaly Simulator	March	86
Seismic Time-Domain Filter	March	88
Remote-Control Gravity Meter	March	88
Density Logger	March	88
Optical Analogue Gravity Computer	March	88
Electronic Counter	March	90
Recording and Playback System	March	90
Recording Oscillograph	March	90
Vertical-Force Magnetometer	March	90
Central-Office System Speeds Seismation	March	92
Tape Recorder	March	92
Flying Laboratory	March	92
Multiplier Phototube	March	94
The Analog Computer - An Engineering Tool, by Charles W. Worley	Ref.	59
News Items		
Seismic research center for Houston Technical lab	Jan.	58
New light-weight "walking" magnetometer	May	162
Perforating Gun-Atlas electric-log seminar	June	86
Petty Geophysical data processing & playback	Sept.	152-B
PHOTOGEOLOGY		
Photogeology Speeds Libyan Exploration, by Laurence Brundall	Oct.	39
DRILLING		
Marine & Offshore Drilling		
Gulf Offshore Activity Booming, by James W. Calvert	Jan.	48
Oil and Oceanography, by Dr. T. F. Gaskell	March	52
Field Techniques and Problems in Offshore Gravity Program, by Vance M. Lynch	March	65
The Mobile Rig Disasters, by James W. Calvert	June	30
Drilling Methods (including offshore) in "Exploration and Drilling in Venezuela," by Neal R. VanMiddlesworth	July	81
Louisiana Hurricane Loss $10 Million	Aug.	44
Offshore Drilling Techniques, by James W. Calvert	Aug.	41
Helicopter Service for Remote Oil-Field Operations	Nov.	78

	ISSUE	PAGE
Biggest LeTourneau Drilling Barge launched (world's largest drilling rig launched), by James W. Calvert	Nov.	82
News Items		
New offshore recording unit "Hurricane Inspector" (Canadian)	Jan.	58
Commonwealth's new marine pipe-laying barge	Apr.	92
Halliburton adds to fleet of Maracaibo service vessels	July	164
US Steel forecasts 1,200 offshore wells by 1970; steel requirements	Aug.	78
LeTourneau comment on rig-disaster article by James W. Calvert	Sept.	166
Portable offshore kit for mud testing	Sept.	166
New light-weight offshore drill mast	Sept.	168
World's first miniature mobile platform by Le Tourneau	Oct.	12
"W.F.Youngblood" new slotted-tube drilling barge	Oct.	30
Persian Gulf gets cargo fleet to service underwater drilling off Das Island & Bahrain	Oct.	78
Union Producing's new portable offshore vessel	Oct.	80
Drilling Practice		
Pressure-Rotary Combinations Feature Recent Drilling Research (Gulf's new hammer drill)	Aug.	38
Cheaper Dry Holes Possible through New Air and Drilling Concepts, by Philip L. McLaughlin	Aug.	46
Turbodrill Reverse Circulation, by B. Petuch	Aug.	60
Progress in the Development of Rotary Drill Pipe, Tool Joints, Drill Collars, by Lester C. Uren	Aug.	63
Electric-Power Development in Bolivar Field, Venezuela	Aug.	66
Rocket Fuels Adapted to Formation Fracturing	Oct.	60
Progress in Well-Completion Methods -- Part I, by Lester C. Uren	Sept.	108
Progress in Well-Completion Methods -- Part II: Sand Control and Formation of Well Cavities, by Lester C. Uren	Oct.	62
Progress in Well-Completion Methods--Part III: Increasing Permeability About Producing Wells, by Lester C. Uren	Nov.	106
Helicopter Service for Remote Oil-Field Operation	Nov.	78
News Items		
"Drilpack" -- redesigned "package" oil-well drilling set	March	108
All-aluminum portable rig	March	134
End of an era -- last of General Petroleum Corp.'s wooden rigs	Apr.	92
Sand "frac" stimulation of wells in Coleville (Canada) field aid production (photo)	May	82
South African introduces "Tellurometer" to UK (New system for distance measurement)	May	136
World's most powerful fracturing unit (Halliburton)	June	80
New explosive-gas detector by Atlas	June	80
Early field tests of 40 Dresser turbodrills	June	80
"Jet" bits used for first time in Great Britain	June	84
Delta Tank package natural-gas adsorption plant	Aug.	77
Texas Instruments has transistorized DC amplifier	Aug.	77
1,250-hp heavy-duty drilling slush pump	Aug.	77
Dual-completion christmas-tree fittings	Aug.	79
Plastic funnel for drilling-mud viscosity	Sept.	152-B
Peerless interchangeable pump parts	Sept.	152-B
Transistor tone telemeter for remote locations	Sept.	152-D
Waukesha "enginators" give standby gas-plant power	Sept.	168
Electric rigs for 25,000-ft drilling	Oct.	12
Portable camps for remote-oil-field service	Oct.	12
Czechs construct electric drill	Oct.	12
Hydraulic pumping unit by Texstream	Oct.	81
Jones & Laughlin makes oil-field pipe	Nov.	140
New Cardwell mud pump	Nov.	150
EQUIPMENT SUPPLIERS; OIL FIELD SERVICES		
News Items		
Tubular goods output to rise	Jan.	4
Lowd export manager for National Tank	Jan.	58
Seismograph Corp. adds two seismic crews	Jan.	58
Jones & Laughlin has new headquarters	Jan.	58
250 USA pipe firms	Feb.	4
Dresser's 1956 sales set record	Feb.	80
Perforating Guns Atlas sets record in 1956	Feb.	94
Seismograph Service Corp. builds new home	March	94
Dresser sales up 35% and earnings 58%	March	140
Electro-Tech Interntl. moves to new home	March	140
Dresser's backlog continues to rise	Apr.	84
Texas Instruments sales rise 59%	May	156
Dresser sets $100 Million International Sales Goal for 1959	May	156
Reece Hatchitt to open Dresser European office	May	156
Perforating Guns Atlas (international) business increases 22.5%	May	160
Dresser acquires transformer company	May	160
Petro-Atlas Corp., Tulsa, new subsidiary	May	160
Security Engineering elects Birnie v.p.	May	162
Houston Nomads entertain foreign visitors	May	164
Crose buys pipe-bending company	May	170
Meaders and Sparks to head NOMADS	May	170
Dresser offers $20 million 4 1/8% debentures	May	170
Grover Kilgore heads Petroleum Equipment Suppliers Assn	May	174
Macgobar expands mud service	May	174
NAMCO International, new company formed	June	86
Selas Corp. of America forms export division	June	86
Dresser sees record year in 1957	June	86
Trans-Tex Drilling and Rimrock Tidelands Inc. merge	July	160
LeTourneau selects new advertising agency	July	160
Otis changes name to Otis Engineering	July	160
Bad-debt losses of oil-well supply houses 11¢ in the dollar	July	160
Graver Tank opens New Orleans office	July	160
Four Corners forms new AADDC chapter	July	169
Nooter Corp. granted floating-roof patent	July	169
Electro-Tech Laboratories moves to Houston	Ref.	154
Dresser sales up 37%	Ref.	160
New foreign-operations directors International Harvester	Ref.	160
Amer. Pipe & Construction appoints V.L.Greedy	Ref.	160
New Petro-Tech (Dresser) president	Ref.	160
Large equippers increase sales share	Aug.	8
Lindall heads Petty Geophysical Engineering	Aug.	77
Southwestern Engineering's boron plant	Aug.	77
Seismograph Service southern headquarters	Sept.	152-B
Allan Edwards Inc. adds three engineers	Sept.	152-C
Dowell reorganizes Eastern districts	Sept.	152-D
Ideco enlarges Dallas staff	Sept.	166
Changes in Baroid international personnel	Sept.	166
National Supply international personnel	Sept.	168
Baker Oil Tools European representative	Nov.	154
PRODUCTION		
WORLD		
1956 World Crude Output Up 7.2%	Jan.	39
Table of world crude production	Sept.	75
Crude forms rapidly, says geologist Kidwell	July	162
NORTH AMERICA		
US and Canadian Reserves Higher	Apr.	72
Canada Faces Busy Year, by Leslie O. Rowland	Jan.	44
Canadian crude production, 1950-56 (table)	May	61
Saskatchewan (Canada) Active in 1956, by R.R. McDaniel	May	108
R.R.McDaniel	May	108
Eastern Canada's crude output rose 14% in 1956, gas production up 21%	May	118
Recent Developments in Oil Shale, by Arthur Matzick and Russell J. Cameron	Sept.	68
News Items		
American oil research executive says proved oil reserves increasing in USA	March	8
Government's shale plant at Rifle, Colo., at standstill	Aug.	8
LATIN AMERICA		
Drilling and Production in Colombia, by E. Ospina-Racines	Dec.	38
Exploration and Drilling in Venezuela, by Neal R. VanMiddlesworth	July	81
Table and chart of Venezuela's oil production since inception	July	131
FAR EAST		
Oil in the Soviet Far East and Sakhalin, by George G. Rosu	Jan.	40
CONSERVATION PRACTICE		
Pembina (Canada) Pressure Maintenance with Water Injection, by Jack Wahl	May	64
Several secondary-recovery projects under way in Saskatchewan, by R.R. McDaniel	May	108
Conservation and the New Conservation Act in Alberta, Canada, by D.E. Lewis	May	146
Venezuela: Maximum Conservation and an Ideal Climate for Free Enterprise	July	57
A Major Conservation Achievement -- Creole's Tia Juana No. 1 (gas injection in Venezuela)	July	74
News Items		
Unitization for Rangeley (Colorado)	Feb.	70
First Sask. gas-injection project	March	136
Mobil Oil programs Pembina (Canada) water-flood	June	8
